

Write Your Title Here

ABSTRACT

The abstract should be a single paragraph with 250 words. It should be included with a brief background of the research, methodology, and results, followed by a statement on the application of research findings in boosting the economy of a country. Acronyms should be written in full the first time they are mentioned in the text, followed by the abbreviation in parentheses. Use standard abbreviations of SI units. Should not include citations or references. The paragraph should be justified and should not be indent or not include any special effects. The abstract should be a single paragraph with 250 words.
